24' Cobalt 240

Performance+Luxury

If you know your way around boats, you'll know that Cobalt combines the highest levels of performance and craftsmanship in her class. Daugherty Management is the *only* company to offer such a high level of craft and service.

Due to the speed, quality and performance of this boat, weekly rentals to qualified guests only (no daily rentals). Preferential, priority pricing and early reservations will be available to Daugherty Management Luxury home guests.
